The Enchanted

Forest

Once *upon a time*
In a land far away
There was a great forest.
Its strong full trees
Blocked the sun from entering.
Looking into this forest from outside
It seemed dark and dangerous.
It was called
THE ENCHANTED FOREST.

There were no well travelled
Paths into The Forest
Because few men or women
Dared its challenge.

Many told stories of the brave souls
Who came from all countries
To search for the hidden treasures
Of The Forest . . .
And how they never returned the same.

For those who discovered it,
The Forest was a land of castles
Known for its fair nights
And gallant maidens.

Its strength was ensured
By strong leaders and
The natural protection of
Mature trees and deep ravines.

The Forest produced ambassadors
For the world
Who left with the wisdom
Of Kings and Queens.

Many obstacles confronted them
As they trained long and hard.
This brief story can only
Recap some of those adventures . . .

Tomorrow,

This year two new faces were added to our enchanted forest. Their never ending concern for the students of this college has resulted in many innovations which have improved student life. Therefore in appreciation of their cooperative independence, do we hereby dedicate Forester 1976 to . . . .
